**livebrands**  
consumer experiences • exhibitions • retail fitouts

**Livebrands is a leading provider of turntables to the Australian motorcycle industry.**

We use cutting edge engineering excellence to manufacture the steel frames and use only superior SEW Eurodrive motors which ensures your turntable is in top working order whether it is running 24/7 or only during your open hours. The turntables can be finished off with a stainless steel surround and a gloss top to suit your colour requirements or other finishes to suit your needs. The turntables are installed and regularly serviced by our experienced staff in your showroom, office or home across Australia or around the world.

## Turntables for:
